

## Workgroup

Caregiver & Provider Support

## Outcome

C1. The needs of older people and their caregivers are met by an array of well-funded, coordinated, well-known services, including caregiver respite services that allow older people to live in a safe environment.

## Indicator & Source

% of APS clients 65 and older with investigations closed during the fiscal year who had a second investigation opened during the same fiscal year (Texas Department of Family and Protective Services (DFPS), Annual Data Book).

## Indicator Notes

This indicator includes all APS clients aged 65 and older that had their case closed within the fiscal year.
