Housing & Built Environment

Outcome

H3. San Antonio has an increasing number of neighborhoods with high health equity and low disparities where people live longer and healthier.

Indicator & Source

% of Bexar county census tracts that are low-income census tracts where a significant number of share of residents is more than 1 mile (urban) or 10 miles (rural) from the nearest supermarket (USDA Economic Research Service, Food Access Research Atlas).

Indicator Notes

This indicator includes all Bexar County census tracts.
